KROMBACHER

Brewed at source for over 200 years, Krombacher is Germany's best selling Pilsener.

the BACKGROUND

The brewery was founded in 1803 in the small town of Krombach, Westfalia and was sited to take full advantage of the pure, local spring water - Felsquellwasser® - that is soft and low in minerals, therefore ideal for brewing Pilsener.

Krombacher is a perfect marriage of old brewing traditions with modern technology whilst using the finest natural ingredients: top quality hops from Hallertau, premium malt from spring barley and their own age-old yeast strains.

Their commitment to quality and taste combines to "turn a beer into a real Krombacher."

the RANGE

Pilsener - 4.8% abv

Brewed to an abv regarded as the optimum for premium quality Pilsener. A wonderful balance of hops and malt with a distinct crispness on the finish.
Available in keg, bottle & can.

Hell - 5.0% abv

A Munich style 'Helles' lager, smooth with less bitterness than a Pilsener lager. Full bodied and lightly hopped with a distinct malty character and rounded finish.
Available in keg.

Weizen - 5.3% abv

A naturally cloudy style of wheat beer with a unique tangy flavour. Exciting, fruity and full bodied taste with an enticing aromatic character.
Available in keg & bottle.

Dark - 4.3% abv

Rich and dark with a complexity of flavours from the combination of different malts. Medium bodied and lightly hopped with moderate bitterness.
Available in keg & bottle.

the BRAND

Under family ownership and control, Krombacher is able to remain resolutely uncompromised and is a respected brand within international beer portfolios.

The Krombacher name is prominent throughout Europe and recognised through their sponsorship of many sporting events.

Krombacher's continual expansion and ability to secure a leading position in today's challenging beer market is a result of investment, innovation and, above all, its maintaining of quality and authenticity.
